

PROFESSIONAL TRAINING

MAY 10 & 11

Epoxy Metallic, Flake and Quartz Systems Training

Two Half Days \$150 per person – Class Size is Limited

Real-world training on large areas of concrete – *not on small boards!* Full system instruction on popular money-making systems including:

- Metallic Epoxy Systems
- Decorative Flakes
- Colored Quartz Broadcast

You will also receive instructions on how to sell these Epoxy Systems, text for Google website rankings, FREE advertising/lead generation opportunities, and pointers on how to deal with customers, designers and architects.
