

PROFESSIONAL TRAINING

MARCH 22 - 24, 2017

Complete GFRC Training

3-Day Course \$500 1st person / 2nd person \$400

The 3-Day hands-on training course is designed to help you become a Certified GFRC Fabricator. You will go back to work with the essential tools and samples to begin manufacturing and selling all of the Xtreme Series textures.

You will also receive instructions on how to sell the concept of the Xtreme Series concrete fabrication system, text for Google website rankings, FREE advertising/lead generation opportunities, order forms, and pointers on how to deal with kitchen & bath stores, designers and architects.

READY FOR BUSINESS IN THREE DAYS

- Multiple Finished Samples
- Hands-On Training
- Bullet-Proof Finishes
